Councilmen Hold Public Hearing On Land Use

PLACENTIA — Councilmen sat through a four hour public hearing on the proposed Land Use Element of the General Plan and then referred several items back to the Planning Commission for further study.

Areas of more study include

City Council Refuses Bibo Relief Request

PLACENTIA — The City Council refused to grant relief from front yard setback requirements requested by the Bibo Construction Company, which installed foundations before getting building permits.

Baugh Praises Local Police Service Program

YORBA LINDA — Brea Police Chief Richard O. Baugh is pleased with the warm reception of the program uniting police services for Yorba Linda with those of Brea. He is especially pleased with the correspondence he has received from Yorba Linda citizens in this regard. "There have been really very few problems there."

With the opening of the Bernardo Yorba Junior High School this fall, Brea Police felt it an ideal time to initiate the 'brown bag' program. This program consists of a weekly luncheon visit at the junior high, where a law enforcement officer eats lunch with the students. The 'kids' are delighted and the officer is overwhelmed with attention. The program was initiated in order to develop an attitude of rapport between juveniles and law enforcement officers.

On request, Brea police will send police specialists to the

the medium density housing designation for property at Tuffree and Palm, medium density on a large parcel at the northeast corner of Golden and Kraemer, medium density on the Lypps property at Valencia and Yorba Linda, and further study of industrial land use.

The major focus of the public hearing was the Tuffree area. Many residents of the area came to the meeting to protest the medium density just across from apartments and K-Mart in Fullerton. They wanted the designation to remain R-1.

Also protested by some people was the proposed commercial area at the corner of Kraemer Boulevard and Yorba Linda Boulevard. Councilmen pointed out that the area had been proposed for commercial for many years.

on programs to discuss narcotics and various phases of law enforcement. "Officer Friendly" is available for visits to primary grades and kindergarten.

While there is yet no bicycle licensing program in Yorba Linda, Brea Police Officers stress bike safety in each school visitation.

Yorba Linda Council To Consider Zone Appeals

YORBA LINDA — Councilmen will hear two appeals of planning Commission decisions, one on a zone change requested by Ralph Solesbee for A-1(0) to C-2 at 4131 Second, and the other a zone change requested by Vernon Frederick from A-1(0) to mobile home park at Buena Vista and Van Buren; at their regular meeting Monday evening at 7:30

Earl Shelley Resigns From PUSD Board; Blasts Miller For Inept District Leadership

PLACENTIA — Earl F. Shelley resigned Monday night from the Board of Education of the Placentia Unified School District. Shelley gave as his reasons the press of business and "my feeling of utter and complete frustration, at what I personally feel, is the completely inept and indecisive handling of school matters by Dr. Murrell M. Miller, superintendent of schools."

Shelley, publisher of the News-Times, said he did not believe that Dr. Miller's actions "have fostered either unity or trust" among the district's employees. He said he did not feel he could go beyond that much of an explanation for his resignation "because much of my information comes only from my position as a board member."

The resignation came at the same board meeting at which a packed audience, expected a verbal battle between Clyde Williams, president of the Placentia Unified Education Association and the Board of Education. The teachers' association, upset over the board's decision to follow the County Counsel's ruling concerning teacher grievances, over the weekend had distributed "passes"

to Monday night's board meeting at shopping centers.

Board President Roy Knauff Jr. greeted the overflow session with a statement concerning the board's position on the grievance issue. He explained that the grievance issue was not on Monday night's agenda and that he would not allow the long agenda to be pushed aside while the grievance issue was debated.

Williams asked that Knauff move the meeting to larger quarters. Knauff denied the request. Williams then asked that the grievance issue be made into a public hearing. Knauff explained the procedure for a public hearing, but Williams pressed to have the issue heard Monday

night. Knauff ruled him out of order. Williams persisted on being heard and Knauff continued to rule him out of order.

Finally, Williams said he and the teachers were going "outside to tell our story." About half the audience paraded out.

The board then turned to its regular agenda covering these items:

Heard a report from Ed A. Mier, supervisor of transportation, concerning the proposal to establish an adult education course in school bus driving; learned that El Dorado High School library had been selected as one of exemplary projects in the state; accepted a report from Gene Kreyche on actions taken by the Ethnic Ad Hoc Committee working to achieve an ethnic balance in Placentia schools; received a list of awards and honors for academic recognition for students in both the intermediate and high school levels; heard a report from Betty Cox, supervisor of food services, that lunch participation in the school cafeterias was 13.1 per cent below the same period last year; received a report listing \$15,413.68 in vandalism damages to area schools from July to December.

The Board of Trustees of the Placentia Unified School District last Wednesday at a special board meeting agreed to submit three names to the American Arbitration Association as its choices for an arbitrator to hear two teacher grievances.

At the same time, after a sometimes heated discussion between the board and representatives of teacher's association, the board reserved the right to accept the findings as advisory only.

Mayor Finnell Appoints Three Commissioners

PLACENTIA — Three new commissioners were appointed to fill several vacancies by Mayor Robert F. Finnell at the last City Council meeting Tuesday evening.

Appointed to the Planning Commission to replace Armando Vasquez was Hal Blair, 52, a purchasing agent.

Lew Motter, 36, a sales executive and former member of the Placentia Jaycees, was appointed to the Beautification Commission to fill a vacancy there.

Gerald Sepulveda, 37, a carpenter who lives in the Atwood area, was appointed to the Recreation and Parks Commission to fill the place left by Robert Lyons, recently appointed to the Planning Commission.

Services For Lt. Rudy Wiggins To Be Held Thursday Morning

Lt. Rudy Wiggins of the Placentia Police Department suffered a heart attack Sunday night, January 10 and died at his home, 645 Royal Stewart Dr.

Funeral services will be conducted Thursday morning by Bishop Gail Carr, bishop of the Church of Jesus Christ of Latter Day Saints. Lt. Wiggins leaves his wife, Odetta, one son, Randolph Nelson Wiggins, and a daughter, Doretta D. Wiggins, both of the home. He also leaves his mother Mrs. Reba Mae Wiggins of South Gate, California.

Lt. Wiggins was born April 8, 1918 in Odell, Texas. In California he worked as a Lieutenant in the Los Angeles Sheriff's Department from 1952 to 1963. He later left the Sheriff's office to work with the National Academy of Law Enforcement, where men prepare for work in law enforcement.

He came to the police department in Placentia as a Lieutenant in 1963, a post he has held since that time. Lt. Wiggins attended South Gate High School, and East Los Angeles Junior College. He was commander of the service division of the local department. He was a member of the Placentia Kiwanis Club.

Placentia rescue personnel responded to a call to the Wiggins home about 11:30 p.m. and applied resuscitation with oxygen and heart massage, but found no sign of breathing or life. Wiggins was transported to the St. Jude Hospital where tests and resuscitation was tried but it was found he was dead upon arrival.

Police Chief Norman Traub stated, "He was a credit to law enforcement. He will be sorely missed from the rolls of the department."

Place of interment is pending.

THS Students To Hold Nursery School

A once a year opportunity to get that adorable pre-schooler out of your hair for a short while is again being offered by Troy High School.

For the third year, girls in child care classes at Troy,

under the direction of home economics instructor Mrs. Marian Hunnex, will put their first semester's school books to practical use by operating a nursery school for lucky community little ones.

The children will play games, be read to, take a nutrition break and participate in other activities, supervised by over 70 eager Troy students who are involved in the program.

According to Mrs. Hunnex, there is still time to register for the school. Youngsters must be at least three years old, and toilet trained. The school will operate from January 15 to March 12 on Mondays, Wednesdays and Fridays. Two sessions are planned from 9:20 a.m. to 10:40 a.m. and from 12:15 to 1:15 p.m.

Interested parents may pick up an application at the Troy High reception desk or phone the school and ask the operator to send an application.

Why Do You Suffer From Your Headache

Fifteen million Americans suffer from headaches every day. Why? We approached Dr. Don Brinkley of the Brinkley Chiropractic Offices and frequent lecturer on the subject of headaches, on that big "WHY" regarding headaches.

Dr. Donald Brinkley

"Well, technically, most chronic headaches are due to irritation and compression of the upper spinal nerves," the prominent doctor states. "But when you talk headache you could spend an hour discussing various technical and medical aspects and they'd still all boil down to one thing: Pain."

"But to stick with the 'why,'" says Dr. Brinkley, "you must realize that headache is part of the symptom complex in many diseases. However," he points out, "most chronic or recurring headaches at the base of the skull and upper neck are caused by irritation of the upper three spinal nerves."

Dr. Brinkley notes that the spinal nerves which supply the scalp may be compressed or irritated by a slightly displaced spinal segment which partly occludes the spinal opening through which the nerves exit the spine.

"This type of chronic headache at the base of the skull may radiate pain to the top of the head and the temples," says Dr. Brinkley. "It is usually accompanied by tender spots in the scalp, upper neck and at the base of the skull." He adds that it may occasionally be accompanied by dizziness and nausea and thereby confused with other types of problems.

"The upper three spinal nerves may also be irritated or compressed by postural decay of the upper spine," Dr. Brinkley notes. "In this case the scalp and neck muscles are constantly pulled to a critical tension against the spine and skull...excessive and prolonged muscle tension compresses the delicate nerves which lie between the skull and the scalp muscles."

Dr. Brinkley is quick to state that all this talk of headaches is always overshadowed by pain experienced by the sufferer. "You can't do much for a headache by just talking. The person who has a painful headache, especially if it's a chronic condition, wants and needs effective treatment."

It should be remembered that all serious headache problems start with a first one, then another, then another until the condition is chronic. "Talk to a person who suffers from recurring migraine attacks and you'll seek effective treatment of your first headache," says Dr. Brinkley.

Of course, most of those 15 million daily headaches get a pain pill treatment. "It's so unfortunate the public is oriented this way," says Dr. Brinkley. "These self-treating habit forming potents are simply delaying final action on a headache. They offer only temporary relief and obviously do little if anything toward correcting the basic cause of the headache."

"Why" the headache? That question has been answered.

"Why not effective treatment?" That question is up to you.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Breakfast Held For Industrials

Lee Castner, member of the Placentia Board of Zoning Administration, said that the board is taking one thing at a time, and doing some positive thinking. Castner so reported at the breakfast meeting of the Industrial group held at Backs Community Building Thursday morning. Mayor Robert Finnell had to leave early, and Councilman Bob Langer took over the meeting.

Chief of Police Norman Traub was present for his first appearance at one of the city working functions. When asked his thinking about Placentia and the department, facetiously stated that he should be given time to get "his feet wet," but further added he surely did in the recent rains on his first days in the city.

He further stated that he and his department were "not talking, but actually doing." It was further stated by Traub that his department and the fire department under Chief James Sims had mutual problems. We are working together in the problem areas which confront both departments, stated Traub.

A.S. "Bud" Bradford, president, Chamber of Commerce, commented on the improved lighting system installed last year by the Edison company, and Councilman Richard Demmer proposed that the city, in cooperation with the C of C prepare a new industrial brochure and then inform industrial firms by letter throughout the nation of the value of having their industrial facility locate in Placentia.

Langworthy Speaks At Morse PTA

Dr. William C. Langworthy, associate dean, School of Letters, Arts and Science, and associate professor of chemistry at California State College, Fullerton, will be guest speaker at the January 19 meeting of the Morse Elementary School PTA.

The meeting will be held in the multi-purpose room at 7:30 p.m. The topic will be "People, Population, and Pollution."

Dr. Langworthy, who received his Ph.D. from the University of California, Berkeley, has been a research associate at M.I.T., assistant professor at Alaska Methodist University, Project Director for the National Science Foundation at Cal State Fullerton, and is presently Director of Environmental Studies Program at California State College, Fullerton.

Dr. Langworthy will also present the awards to the classrooms which win the Ecology Poster Contest now being conducted.

Bids Awarded For Second Phase At Yorba School

The Board of Trustees of the Placentia Unified School District last Wednesday night awarded a bid of \$931,599 to Berry Construction Co. for the second phase construction of Bernardo Yorba Intermediate School.

The construction work, to be completed by September 15, calls for two classroom units (15 classrooms), an administration building and a multi-purpose room. A total of 40,000 square feet is involved, including in addition to the classrooms a shop, two music rooms, offices and a library.

The bid was 7.36 per cent, nearly \$75,000 below

the estimate for construction. With the units already at the school site, it brings the school's value to \$1,644,000.

Kigers Get Visit From Englebrechts

Roy and Nancy Englebrecht visited her parents, Mr. and Mrs. Al Kiger, of Placentia, for ten days over the Christmas holidays. A graduate of Valencia High School, Mrs. Englebrecht is now attending John Brown University in Arkansas.

Womens Club Schedules Drug Meeting At ED

The Yorba Linda Woman's Club is sponsoring a meeting for both teenagers and adults on the dangers of drugs at the El Dorado High School Auditorium

Clarkes Entertain

Mr. and Mrs. James R. Clarke and daughter of 1266 Puerto Natales, Placentia had the pleasure of entertaining Mrs. Clarke's sister and her husband, Mr. and Mrs. Richard Lawder of Salt Lake City, Utah.

Juniorettes Schedule Bake Sale

The Yorba Linda Juniorettes, the teenage auxiliary of the Junior Women's Club, is having a bake sale in front of the Safeway store in Placentia on Saturday, January 16 from 10 a.m. to 4 p.m.

The bake sale is being held to raise funds to purchase paint for a home in Atwood housing a family of 16.

Any high school age girls interested in joining the Juniorettes may call the advisor Mrs. Mike Van Buskirk at 528-8946.

Auxiliary Receives Members

Esperanza Intercommunity Hospital Auxiliary members met Wednesday, January 6, at luncheon at Michael's Restaurant. New members were received into the auxiliary. They include Martha Allen, Betty Gleason, Margaret Goodwin, Alice Lee, Phyllis Miller, Sharon Stewart, Dotty Blietz, Ann Goneau, Correne Lane, Mary Ellen Marx, Gwyneth Stevens and Judy Ann Weink.

During the business meeting bylaw changes were made and Marta Anderson, program chairman, presented the Mother Singers who under the direction of Mrs. McClehan sang a group of numbers.

Hostesses for the luncheon were Marge Kirgis, Elinor Bigonger, Mabel Kelly and Mary Correz.

Nominating committee for new officers of the auxiliary will report at the March meeting to be held at the Golden Pheasant Restaurant. The committee members are Marguerite McDonald, chairman; Suzanne Biel, Elinor Bigonger, Betty Klemper and Linda Kurz.

Mrs. Roberts, president, will host a board meeting at her home on January 20.

Other important meetings announced include an orientation and membership tea at the home of Mrs. Arthur Gage for February 3, and the California State Hospital Association convention at Disneyland Hotel February 18, 19 and 20. Some of the Esperanza Auxiliary members will act as hostesses and others attend the meetings.

Tuesday, January 19, at 8 p.m.

Speakers will include Glen Trimmos of Teen Challenge, Sgt. Gates of the Orange County Sheriff's office, and Ken Granger, documentary film producer.

The club invites all interested persons to attend the conference.

Business License Fees Now Due In Placentia

"It is that time again!" said James Park, purchasing director for the City of Placentia. Park is, also, in charge of collection of license fees for the city.

All commercial fees based on gross receipts are due and payable now, stated Park. "As the businesses of the city report income to

the internal revenue on a calendar year basis, the City of Placentia has set up the renewal period for the city to conform to the calendar year, rather than the fiscal year." The delinquent date for payment of the license fee is March. If not paid by that time an additional amount is added.

Suburbanettes Elect Officers For This Year

The Yorba Linda Suburbanettes Babysitting Guild have elected Mrs. Stan Wilkendorf as president for the coming year.

The elections were held at the home of Mrs. Tom Brady, 956 Ott in Placentia.

Mrs. Nelson Fizzard was elected secretary and Mrs.

Al Urke was chosen for auditor-treasurer. It was announced at the meeting that there are only a few openings in the membership of the guild. Anyone in the community interested in participating in a co-op babysitting club may call Mrs. Wilkendorf at 524-3951 or Mrs. Urke at 524-7368.

Troy Warriors Win First League Games

The Troy Warriors, playing their best ball of the season, exploded in the final quarter to route the La Habra Highlanders 66-50 Friday night.

An overflow Warrior throng of 1,600 saw Mark Wulfemeyer and company turn a close game into a resounding win, out-scoring the Highlanders 17-2 during one span. The freshman sensation scored 10 of his 16 points in the final stanza.

Senior Todd Allen had 17 points and pulled down 15 rebounds while center Greg Huysman added seven

points and 11 boards while holding La Habra's 6'11" sophomore Steve Manker to only two points. Mick Rabel, who was hot early in the game, had 13.

The first two quarters saw the lead see-saw back and forth with no team holding more than a three point advantage. The Warriors opened up an eight point lead early in the third quarter but that was cut to three by the end of the period.

The win put the Warriors atop the Freeway loop with a 2-0 record. Both victories came over C.I.F. ranked opponents. La Habra was ranked number nine and Lowell, a team which Troy beat 81-79 Tuesday was 12th. Mark Wulfemeyer had 25 points in that one.

CSF Defeats UC Irvine For Eighth Win In Row

Red haired Mark Ramsey put in two free throws with seven seconds left to put the game out of reach of the UC Irvine basketball team giving Cal State Fullerton an 84-82 win in an action packed contest.

It was CSF's second win in a row over the Anteaters, the latter coming in the finals of the Irvine Tournament at Crawford Hall.

Art Jones, with just over three minutes to play, was driving the lane and was fouled pretty hard by Bill Moore of Irvine.

Moore was ejected from the game due to the fact there was bodily harm intended.

This began a flare up between both clubs' players and after a delay of the game action continued. CSF

boosted its lead to a quick seven points with 1:30 left on the clock.

Irvine then scored on tip-ins by Bill Clark to cut the lead to four. Troy Rolfh, Orange High graduate, then sank a couple of charity tosses to bring the score to 82-80 setting up Ramsey's shots.

Gary Fox then sank a last second shot to bring the scoring to an end.

The win gives the Titans a 9-5 record and equals a school mark of eight consecutive victories.

The Fullerton school enters CCAA action this Friday evening meeting Cal Poly Pomona in the Titan gym.

Saturday evening the Titans again play a home game facing UC Riverside.

Valencia Upsets Corona; Faces Saddleback Friday

Valencia High School's Varsity basketball team coached by Bob Hamblin has not entered into the CIF playoffs since back in 1966-67 with players Gene Bodini and Mike Walters heading the club.

Now the Tigers have their chance once again as Coach Bob Hamblin's move to bring up Sophomores Ricky Garcia and Sergio Echevaria two years ago looks like a big plus for Valencia as both players, now seniors, showed off their game experience in good fashion in the teams final practice game.

In that final tuneup before league Garcia scored 22 and Echevaria hit 21 as they led the Tigers to a stunning upset over Corona 66-54.

Corona is ranked number

four in 3A CIF ratings and carried a 10-3 record into the game.

Everything seemed to go right for the Tigers, even the great halftime performance put on by the Valencia Pepsters. It was given a great applause from the capacity crowd.

The Tigers' lead reached up to 22 points before Hamblin put in his other first team which watched most of the night's game.

The Tigers meet Saddleback in the Valencia gym this Friday night at 8 p.m.

The team's biggest game then will come up the following Tuesday as the Tigers meet Sonora in the Sonora gym beginning at 6.

Sonora and Valencia have been established to fight it out for the Orange League Crown so barring any upsets the game should be played for first place.

ED Wrestlers Defeat MV; Fall To Ontario

El Dorado ended its pre-season wrestling with a 4-4 record, by winning one and losing one last week.

Against an inexperienced Mission Viejo team, the Hawks took advantage and won 42-15. Only two Hawks lost and most won by pins.

Sophomore Tom Smith broke the school record of the fastest pin ever with an eight second pin. Senior Jeff Johnson is leading the team with seven pins for season.

Ontario surprised the grapplers last Thursday with a 42-10 victory. 95-pound wrestler, Steve Hyams won by decision and heavyweight Don Mann pinned for the only Hawks to score. Joe Barrese tied and the rest of the Varsity lost.

League starts on January 14 against Saddleback, there. Laguna Beach doesn't have a team so there will only be four league meets this year.

Tiger Fish Begin Swim Season In Tough Workouts

For two consecutive years, Coach Jim Lock's Tiger swim team has swamped the Orange League for championships.

Practice for the 1971 team began Monday, January 4. Since coach Lock took command four years ago, all varsity records have been broken as were many bee and cee records.

Returning varsity lettermen include Dennis Douglass, Bob Snyder, Don Gresham, Dave Duffie, Rick Pickrell, Dave Turnquist, John Quintana, Charlie Turnbull, Steve Kneiss, and Timm Hofferth. Many bee and cee swimmers will be moved up to the varsity squad.

Competition begins Saturday, February 6, when the Tigers will host the Valencia Invitational relays.

CSF Swimmers Place Second At SFV Relays

Cal State Fullerton's swimming team placed second in the CCAA Swimming Relays held at San Fernando Valley State College.

San Fernando Valley won the championship scoring 130 points compared to CSF's 96.

The 800 Freestyle relay team of Bill Welch, Bruce Johnson, Mike Biggers and Jim Waska took a first place.

The 400 backstroke team also had a first place and swimming that race was Mike McIntyre, Mike Childers, Waska and Biggers.

FJC Undeclared In Conference Games

Fullerton Junior College basketball team travels to San Diego to play San Diego City JC tonight in the Hornets third game of the Conference season.

The Hornets came out victorious in the first two games last week, beating San Diego Mesa 88-87 and Orange Coast 57-52.

Mesa was the Hornets first opponent and in this game all five of the Hornet starters scored in double figures.

Guard Steve Chidley led the way popping in 26 mostly on long and short jumpers. Rick Aberegg followed with 19 and Bill Boyd bagged 15. Phil Carlile

hit 12 and pulled in quite a few rebounds.

With less than eight minutes to play the Hornets trailed by six. Two quick baskets by Chidley and a short jumper by Gary Berg tied it up. Both clubs exchanged baskets setting up the thrilling finish.

Chidley was fouled with 21 seconds showing. He scored his first charity toss but missed the second.

Behind 88-87 Mesa's Wilbur Strong threw up a short jump shot with 11

seconds left and missed, but he got his own rebound. He then followed up once more but was called for traveling and FJC had the ball with five seconds.

Last Saturday night the Hornets got by stubborn Orange Coast 57-52 in a slow moving game.

The Fullerton team was not able to pull away until late in the game as Aberegg swished a bucket to give FJC a 47-46 lead.

Aberegg scored 19 for Fullerton.

ED Faces Sonora Friday In Important Contest

El Dorado's Varsity basketball team will play league leaders Sonora in an important game for both teams this Friday in the Raiders gym.

EDHS played Saddleback yesterday but results weren't available. Last Friday the Hawks were stopped by a tall Ontario team.

Robert Young, 6-6 put in

an amazing 42 points for the Jaguars and had 30 rebounds. Teammate, Terry Pugh had 24 points which was just about enough to take care of the Hawks alone. The final score was 90-67 and Ontario now has a 15-1 record as El Dorado is 6-7.

Robert Dewese led El Dorado with 21 points. Bob Fassett had 11 as Dorian DeJesus put in 10.

VHS Junior Cagers Begin League Games

Orange League action gets underway today as Valencia's junior cage teams take on the Laguna Beach Artists. The sophomore squad will be traveling while the freshmen host Laguna at 3:15 and the junior varsity team hosts also for a 5:30 contest.

Friday all three teams competed against Corona but scores were not available at press time.

Saddleback's

Roadrunners will be eyeing the Tigers in the second league game scheduled for Friday, January 15.

Coach Dal Dessecker's sophomores have the best record of the three junior basketball teams. The Tigers were six wins and four losses for pre-league games as of Thursday last week. All the squads are working hard for the all-important league games today.

ED JV Team Opens League After Victory Over Ontario

El Dorado's Junior Varsity opened league play against Saddleback on Tuesday, January 12.

Coach Joe Walton took a 5-6 pre-season record to host the Roadrunners. The JV's will be ready for league as 6-5 center, Jeff Van Winkle has finally returned from a broken wrist. Van Winkle saw limited action against Ontario last Friday. This Friday the team will travel to Sonora and play a 6:30 game before the Varsity.

At Ontario the Hawks had a ten point lead most of the first two and one half

quarters. Then the Jaguars got hot and narrowed it down to two with a minute left in the third quarter.

However, the Hawks held and went on to blitz the fourth quarter 25-12. The final score was 77-57. Tony Madau led the team with 19 points. John Jesmont and Jeff Mathiesen each had 13 and John Shumate put in 11.

Ronnie Castillo and Madau are leading the team in scoring in the first 11 games. However, Dave Roy, Jesmont and Shumate have helped out greatly.

FJC Players Named To All-State

Fullerton Junior College Hornets Football team, runnerup in the State playoffs, placed seven men on the all-state team released by the Junior College Athletic Bureau.

First team selections were Alan Pekarcik at defensive back and Mike Pulver as an offensive guard.

Second team selections for the Hornets were Greg Johnson, interior lineman and Greg Iverson as a linebacker.

Third team members from Fullerton were Tackle (Freshman) Scott Hudgins, linemen Doug Gerdes and Brian Slezak.

ED Runners Place In Marathon

Five El Dorado runners went to San Diego last Saturday to participate in the Mission Bay Marathon.

To run the perimeter of Mission Bay is 13 miles, so the race is two laps or 26 miles.

Ed Soto broke the school marathon record and a personal goal by running the race in two hours, 55 minutes, and 52 seconds. He wound up tenth of all high school runners and received a medal for his achievement. Soto placed 57th out of over 300 runners.

Jim Unopulos ran a 3:01:30 to come in 63rd over all. He also received a medal as he came in 13th in the high school division. Bobby Johns came in 132nd with a 3:23:30 and Dave Mylan finished with a 4:58:00.

VHS Faces Santiago After Loss To Corona

Santiago looks to be the Valencia Tigers' next foe as they travel Thursday for a 3:15 grappling match.

Corona's Panthers outwrestled the Tigers 41-12 on January 10. Scoring for the Tigers were Mark Periera, 95 lbs.; Richard Samaniego, 103 lbs.; Ed Sauls, 165 lbs.; and Joe Campos, heavyweight.

As members in the Ivy League (AAA division), the Panthers have been league champions for three consecutive years. Seven Corona grapplers pinned their Valencia opponents.

Consistency has been seen from Tiger captain Ken

Sarkis, Samaniego, Campos, and Larry Lopez. These athletes have scored or pinned in four out of five matches in pre-league action.

Junior varsity wrestlers were nipped 21-23 by the Panthers. Pins came from 136 lb. Don Young and 175 lb. Jim Pebley. Other scores included Joey Montana, Rick Webber and Mark Rinker.

Shirley Sandiford Married To Lawrence A. Fischer

Mrs. Lawrence A. Fischer

Shirley Ann Sandiford became Mrs. Lawrence A. Fischer recently in an early morning ceremony held at St. Angela Merici's Church in Brea.

The bride wore a candlelight silk organza gown with an empire waist bodice of alencon lace. The skirt was covered with lace appliques while the short train veil of silk illusion net completed the bride's attire. Her bouquet of white roses and pine served to accent the gown.

Matron of Honor, Mrs. Jon Sides, the bride's sister, selected a rose velvet pantdress for the ceremony and carried a pink roses and pine bouquet. The bridesmaids, Dianne Fischer, sister of the groom, and Lori Hodgen wore similar outfits.

Robert Moore of Santa Monica served as best man while Jon Sides and Robert Mussoff acted as ushers.

The mother of the bride selected an olive green wool for the occasion while the groom's mother wore a burnt orange wool knit.

A reception in the Crown Room of Fullerton's Holiday Inn followed the ceremony.

The bride is the daughter of Mr. and Mrs. Burton Sandiford of Placentia and a graduate of Valencia High School. She most recently graduated from the University of the Pacific and is currently attending Los Angeles County Hospital's School of Nursing.

Fischer is the son of Mr. and Mrs. Robert A. Fischer of Encino. A graduate of UCLA, Fischer is currently employed at Coldwell-Banker, Inc.

Following a honeymoon trip to northern California, the newlyweds returned to Glendale where they will make their home.

Fullers Visiting Fergusons Over New Year Holiday

Mr. and Mrs. Frank Ferguson, 407 Morse Avenue, Placentia, have as their house guests Mr. and Mrs. Joseph Fuller, of Lakehurst, New Jersey. Mrs. Fuller is a sister to Mrs. Ferguson.

The Fullers arrived December 27 and plan to leave for San Francisco this weekend. While there they will visit other relatives before returning to New Jersey.
